

# #makeourcommunity crowdfunding | april 2022

## well fed

### What is crowdfunding?

Online fundraising for WELLfed via a large number of donors who give what they can.

### Why are you crowdfunding?

The last two years have been tough for everyone - we have more demand than ever for the WELLfed programme, but very few traditional fundraising opportunities - so we are adapting!

### How does it work?

Donations can be made via our Givealittle campaign page. All funds raised will go into our teaching program for 2022.

### How can I help?

Social media and word-of-mouth are the keys for crowdfunding success!

Sharing & talking are free, easy ways to support WELLfed!

The link to our Givealittle campaign can be shared from our [Facebook](#), [Instagram](#) and [LinkedIn](#) pages, or directly from the [page](#).

### When is it happening?

The two week campaign kicks off at 9am on Friday 1st April!
